FUNGUS FAIR 2014

Student Series

FREE admission to the Fair when you sign in and attend the talk
Saturday or Sunday **January 11** and **January 12**
Noon to 1:00 pm

Did you know that the closest DNA to humans (that means you) is found in mushrooms?

Come discover more interesting facts about mushrooms:

What exactly is a mushroom?

When and where do mushrooms grow?

Which ones are poisonous?

How do you know if you can eat it?

Can mushrooms be eaten raw?

You will also be given a guided walk-through the mushroom displays—more than 200 different species to look at.

Louden Nelson 301 Center Street (corner of Center and Laurel)
